1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I strongly oppose Dominion's recent proposal for the net metering program.

I strongly believe this is NOT a fair and reasonable rooftop solar program.

Dominion Energy's proposal would increase fees and devalue solar so much that it penalizes existing customers who have invested in rooftop solar, eliminates access to rooftop solar for all future or potential customers, and crushes an industry that currently employs 4,000 South Carolinians.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No thank you.
